

Your family member, neighbor or friend has targeted you in our project!

Please support our summer Mission Trip. If you can donate, text Kerri Bonner at (248) 376-3485 to let her know that an offering is waiting. The signs will be removed within 24 hours.

Otherwise we will simply remove the signs. We will “picketing” throughout the month of April 2020!

Also: Donate \$1 or more to our Mission Trip and you can tell us who to target next! To do so, please fill out the attached information sheet, place the completed form and donation in the envelope and tape it on your door.

2020 Mission Trip Details

This year we will be travelling to Logan, West Virginia the Week of June 21, 2020. While we are there some of us will serve through painting, cleaning, helping with yard work or doing other simple work projects. Others will plan and lead children’s programming, including Bible lessons, games, crafts and reading activities.

Please pray for our safe travels and a successful Ministry! Thank you for helping us spread the Word!

Sincerely,

The La Salette Youth Group
